The information provided in this letter is for healthcare providers and Medtronic representatives and applies to the following Medtronic device models:

<table>
<thead>
<tr>
<th>Model number, model name, description (Non-MRI Conditional devices)</th>
<th>MRI Conditional Device Model number, model name, description</th>
</tr>
</thead>
<tbody>
<tr>
<td>P1501DR ENRHYTHM®, dual chamber IPG</td>
<td>A2DR01 ADVISA DR MRI™ SURESCAN®, dual chamber IPG</td>
</tr>
<tr>
<td>C2TR01 SYNCRA™ CRT-P Cardiac Resynchronization Therapy Pacemaker</td>
<td>A3DR01 ADVISA SR MRI™ SURESCAN®, single chamber IPG</td>
</tr>
<tr>
<td>C4TR01 CONSULTA® CRT-P Cardiac Resynchronization Therapy Pacemaker</td>
<td>RVDR01 REVO MRI™ SURESCAN™, dual chamber IPG</td>
</tr>
<tr>
<td>CGTR01 VIVA™ CRT-P Cardiac Resynchronization Therapy Pacemaker</td>
<td>MC1VR01 Micra™ MR Conditional single chamber transcatheter pacing system with SureScan™ technology (VVIR)</td>
</tr>
</tbody>
</table>

Transcutaneous electrical nerve stimulation (TENS) – TENS (including neuromuscular electrical stimulation or NMES) is a pain control technique that uses electrical impulses passed through the skin to stimulate nerves. A TENS device is not recommended for in-home use by cardiac device patients due to a potential for oversensing, inappropriate therapy, or inhibition of pacing. If a TENS device is determined to be medically necessary, contact a Medtronic representative for more information.

Labeling

PATIENT MANAGEMENT GUIDANCE

This document is useful to health care professionals who perform medical procedures on patients with Medtronic implanted cardiac device systems and who consult with the patients’ cardiologists.

Additional comments
For further information please contact the following:

- **Technical questions:** Medtronic Technical Services can answer additional questions regarding these device operations. **Device labeling:** For additional device-specific guidance, consult the labeling associated with the device available on the Medtronic Manual Library website at [www.medtronic.com/manuals](http://www.medtronic.com/manuals).

- **Patient questions:** Patients who have questions can contact Medtronic Heart Rhythm Patient Services at 1-800-551-5544, Option 3, email at [pshelp@medtronic.com](mailto:pshelp@medtronic.com), or see [www.medtronic.com/rhythms](http://www.medtronic.com/rhythms) for a variety of resources.
